

### JAVA | ARMCHAIR

The unbridled desire to discover the world led us to Java, the Indonesian island where Jakarta is located. Known for its stunning landscapes, it is also the most populous island on Earth, becoming an enthralled paradise between graceful nature elements and a rich cultural heritage. These are the roots of JAVA, BRABBU's new modern armchair, inspired by the island's Buddhist temples and monuments, as a tribute to this millenary religion. JAVA armchair is fully upholstered with velvet, and it is as comfortable as its wide but slim lines seem like. An accurate example of elegance and boldness, embracing the strength of the Indonesian traditions and beliefs. A sober, yet, distinctive piece that will add a unique touch to any contemporary home décor.
